TENTH ANNIVERSARY ICOR

Dear:

Monica Gartner

ICOR Principal Coordinator

With much enthusiasm and joy, we will remember and pay a simple and historical tribute to our world organization ICOR (International Coordination of Revolutionary Parties and Organizations)

Founded on October 6, 2010 we are present with a fraternal greeting also on this anniversary, remembering its founder: CC. STEFAN ENGEL, who has already seen today reflected in the reality that his construction process worldwide is a success.

ICOR, to date has a world representation in the 5 continents, becomes an alternative for coordination and cooperation in the world revolutionary movement.

Our organization, the political movement BLOQUE DEMOCRÁTICO POPULAR DEL PERU, (BDP) consequently with our principles, we will continue promoting and working in ICOR in this process of unification and practicing proletarian internationalism.

- LONG LIVE THE TENTH ANNIVERSARY OF ICOR
- LONG LIVE PROLETARIAN INTERNATIONALISM

WITH REVOLUTIONARY GREETINGS
